learn about the interrelated dimensions of music through:
1. playing instruments
2. improvising
Perform and Share

History

Vikings & Anglo Saxons
Demonstrate an understanding of how the Vikings have shaped British culture and history by composing historically valid questions.
Evaluate and assess the impact and significance made by some Anglo-Saxon kings and be able to explain how their actions have shaped British history.
Compare and contrast the modern day justice system with the Anglo-Saxon system, explaining and understanding the similarities and differences.

Modern Foreign Languages

French

Parts of the body, Counting, Months of the Year

Maths

Big Maths

Daily CLIC (Counting, Learn Its, It's Nothing New, Calculations) Sessions
Maths
Place value, addition and subtraction, co-ordinates and line graphs, multiplication and division, fractions and decimals, perimeter, area and volume

Science

Working Scientifically

Plan scientific investigations, including variables where appropriate.
Record data using diagrams, keys, tables and a range of graphs.
Report conclusions and explanations from scientific investigations.

Earth and Space

Describe the movement of the Earth, and other planets, relative to the Sun.
Explain day and night on earth, and the apparent movement of the Sun.

Forces

Explain that gravity causes unsupported objects to fall towards the Earth.
Identify the effects of air resistance, water resistance and friction between moving surfaces.

RE

The names of Jesus
99 names of Allah
Images and significance of Buddha

Spring

Computing

Podcasts

understand computer networks including the internet; how they can provide multiple services, such as the world wide web; and the opportunities they offer for communication and collaboration
select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals, including collecting, analysing, evaluating and presenting data and information
use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.

3D Models

design, write and debug programs that accomplish specific goals, including controlling or simulating physical systems; solve problems by decomposing them into smaller parts
use sequence, selection, and repetition in programs; work with variables and various forms of input and output

Geography

Mountains

Identify an outcrop, a ridge the tree line, the snow line and a plateau.
Find the height of a peak on a map.
Identify differences between mountain climates.

Brazilian Rainforests

To be able to use maps, atlases and globes to locate specific countries and continents.

To know what a rainforest is and understand how it is organised.
To locate rainforest and understand their place on the globe

To understand how the layers in a rainforest create different environments which support different life
To know what deforestation is and its impact on the rainforest

Physical Education

Karate

develop flexibility, strength, technique, control and balance
compare their performances with previous ones and demonstrate improvement to achieve their personal best

Swimming

swim competently, confidently and proficiently over a distance of at least 25 metres
use a range of strokes effectively
perform safe self-rescue in different water-based situations
